Twins have a very special bond. Together from their earliest moments of consciousness, they are true soul-mates. Linked by feelings of deep kinship and love, mutually attuned with an almost magic sensitivity, they often feel like two halves of the same person.

Twins separated at birth who meet as adults often discover amazing coincidences in their lives. They both have wives named Linda and sons called Hamish. At their weddings both of their best men wore kilts. They both have Maine coon cats and use an obscure Finnish brand of aftershave. This proves that the twin relationship is one of the strongest in the world, overriding individual personality and the forces of upbringing and environment.
